

A schematic diagram of a multi-layered structure, designated by the reference numeral 10. The structure is composed of several horizontal layers. From top to bottom, the layers are labeled: 12 (the topmost layer), 14, 16, 18, 20, 22, and 24 (the bottommost layer). A bracket on the right side of the diagram groups layers 12 through 24 together under the label 10. A coordinate system is shown in the upper right corner, with a vertical arrow pointing upwards labeled 'z' and a horizontal arrow pointing to the right labeled 'x'.
